

Job Role: Kitchen Porter

We're looking for Kitchen Porters to join our team at The Honey Pot in our brand new kitchen! You must have a basic understanding of food safety and hygiene and be enthusiastic about expanding your skills, taking pride and care in your work. You must be reliable, flexible and able to work a mixture of weekday, weekend and evening shifts throughout the year including during school holidays. You will be required to quickly and effectively wash dishes by hand and in a commercial dishwasher, dry and return them to their place efficiently. During quiet times, there will be opportunity in this position to learn aspects of the kitchen or front of house depending on skills and what area you're interested in with the opportunity to progress into one of these roles in the future. We're offering a three-month trial period, leading to longer term positions, both seasonal and year round.

Requirements:

- Must be able to work evenings, weekends and during school holidays
- Ability to follow instruction and receive and act upon constructive criticism
- A good understanding of basic food hygiene and safety
- Clear and kind verbal communication with all staff
- Must have good organisation skills and be able to multi-task
- Customer service (will be required to run food and clear tables at times)
- Excellent work ethic with eagerness to perform to a high standard and a great attendance record

Work Hours & Pay:

- Full time or part time roles available, seasonal and year-round
- Weekly rotas given 1-2 weeks in advance with variable shift lengths and ending times
- Possibility for extra shifts covering absences at short notice
- Three month trial period leading to longer term positions
- Pay at or above minimum wage, with the potential for pay increase based on performance

Benefits include:

- Free staff food and drinks on shift
- 20% staff discount for you and your whole table (up to 6) when not on shift
- Good rates of pay with regular appraisals and possibility to review pay rates and promotions based on performance
- A fun and supportive working environment
- Opportunity to work in a brand new kitchen and newly refurbished restaurant
- Opportunity to learn and acquire job specific and transferrable skills
- Opportunity to progress in either the kitchen or front of house dependant on skills and interests
